

SCY Monthly Training

Families in Grief: The Impact of Loss

SCY is partnering with the Heartlight Program at Lurie Children's to host this training on grief and loss and how to support families in this process. This training will discuss the normal grieving process and developmental needs of children, including factors that influence a child's grief and strategies for working with grieving families. The training will explore the impact of your own loss experience and how to focus on self-care.

Dear Kelli,

The Illinois General Assembly will continue to meet this summer to work on the state budget. Learn more about how the proposed budget would affect children, families and communities through the [Fiscal Policy Center](#) at [Voices for Illinois Children](#). The extended discussions may pose opportunities for other substantive bills to be considered. [Follow SCY's Policy Update](#) to stay updated on pressing bills and conversations.

Sincerely,

Rebecca Levin, MPH

Protest Against Chuck's Guns

Brady Campaign to Prevent Gun Violence

The [Brady Campaign to Prevent Gun Violence](#) and its partners are protesting Chuck's Guns due to its record of being the largest supplier of crime guns in Chicago, and one of the largest in the country. The gun store refuses to adopt a Code of Conduct composed of ATF recommended best practices that would help the store to not sell crime guns. Join the Brady Campaign and its partners by signing up below.

Lead a SCY Training!

Strengthening Chicago's Youth hosts monthly trainings on violence prevention in Chicago. Past topics have included mental health, youth programming, data-driven advocacy, media, restorative justice, and trauma-informed care, among others. Trainings frequently involve information sharing, networking, and interactive action planning.

If you or your organization are interested in partnering with SCY for a future training, learn more [here](#) or contact Kelli Day, Operations Manager, at kday@luriechildrens.org
