## Trauma-Informed Care: A Journey Toward Resiliency

**Friday, January 3, 2014, 9 a.m. to 5 p.m.**  
 Northside College Prep  
 5501 N. Kedzie Ave., Chicago

The Training Network Committee of Chicago presents its first annual symposium dedicated to trauma-informed care. Nationally-acclaimed keynote speaker Raul Almazar, RN, MA, will present with trauma survivor Charryse Copper. The day will feature panels of professionals and tools for assessing and treating those with trauma. You do not want to miss the dynamic close to the day!

**Registration Fee of \$75**  
[REGISTER HERE](#)

Symposium objectives:

- Provide a diverse array of strategies that have been used by local organizations to incorporate trauma-informed care into their work with children and families.
- Provide information and tools to guide providers in implementing trauma-informed care.
- Offer a clear understanding of what it means to be trauma-informed.
- Discuss challenges and opportunities with providing trauma-informed care.
- Provide an understanding of trauma and how it manifests itself.

Six continuing education credits will be offered for licensed social workers and counselors.

## SCY Training

### Reducing Youth Violence through Mental Health Services in Schools

Please join SCY for a training facilitated by Dr. Mashana Smith, clinical psychologist with Ann & Robert H. Lurie Children's Hospital of Chicago Community Linked Mental Health Services Program (CLMHSP).

3:00 pm to 5:00 pm

Ann & Robert H. Lurie

Children's Hospital of Chicago

225 E. Chicago Avenue, Chicago, IL 60611

11th floor conference room

**PLEASE CHECK IN AT**

**2nd FLOOR REGISTRATION TABLE**

**\*\*[Registration](#) is required\*\***

For the past 10 years, the CLMHSP has worked in conjunction with schools and community partners in the Chicago area to develop and implement a public health approach to address the impact of violence and trauma for students. In this training, we will learn from panel of experts in the field of social emotional learning and school-based mental health. Panelists will describe the ways in which local systems and/or schools have implemented and delivered school-based mental health approaches that address violence prevention, within a multi-tiered public health approach.

Panelists:

- Mashana Smith, PhD
- Jo Salazar, LCSW
- Elizabeth Stranzl
- Crystal Winifield
