Strengthening
Chicago's
Youth

Letter from the Director

Greetings!,

SCY would like to congratulate all of the winners of Chicago's municipal elections. As we move towards a new administration in City Hall, as well as a City Council with many new faces, we will continue calling on everyone to play their part in preventing violence. Collectively, we will continue holding all systems accountable for violence prevention, and make sure that our elected officials continue to look out for the needs of children, families, and communities!

In Peace,
