Index Crime Offense & Crime Rate Data

This section primarily focuses on Index Crime offenses and arrests, and drug arrests reported to police. The Illinois Uniform Crime Reporting Program Index Crime offenses include the categories of criminal homicide, rape, robbery, aggravated battery/aggravated assault, burglary, theft, motor vehicle theft, arson, and human trafficking commercial sex acts and human trafficking involuntary servitude. The state of Illinois Index Crime offense and arrest rate comparison for 2015 and 2014 are presented on Page 15, followed on Page 16 by the state of Illinois primary page.
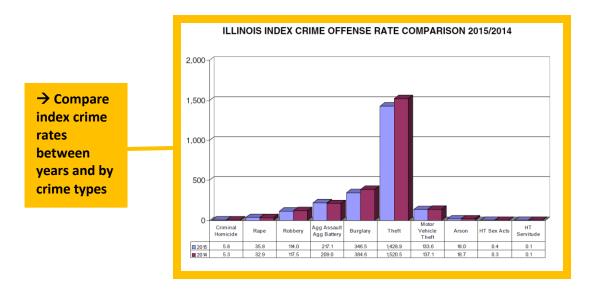

The state of Illinois primary page provides a compilation of statistics reported by participating police departments, sheriff's offices, and statewide law enforcement agencies. Statistics include Index Crime offenses, arrests, and associated crime rates per 100,000 inhabitants; Drug offense arrests; Domestics Offenses, Hate Crimes, and School Incidents.

Following the state of Illinois primary page is an alphabetical listing of primary pages for Illinois counties. County totals reflect crime data reported by police departments and the sheriff's office located within the county; however, data reported from state agencies is excluded. Below each county primary page is a listing of agencies within the county that submitted data for the 2015 and/or 2014 reporting years. The Sheriff's Department is listed first, unless the agency was non-compliant and did not submit data for the 2015 and 2014 reporting years. An alphabetical listing of the remaining agencies in the county that submitted data follows. The Index Crime rate, as well as Index Crime offense category totals are provided for each agency.

➔ **Brief overview of crime categories, calculations, and reported county totals available for download as PDF**

Jurisdiction	County	Population	Calculation	Total Crime Index
City	County 1	75,000	0.750 X 2,500 =	1,875
City	County 2	25,000	0.250 X 2,500 =	625
	Total	100,00	Total	2,500

➔ **Breakdown calculations of total crime index**

→ Compare index crime rates between years and by crime types
